Dear Parents,

April's Admin Notification is the first to be disseminated via email. We thank you for your understanding and support in our school's effort in conservation of the environment.

General Repairs and Redecoration (GR&R) Works

While the school will undergo major upgrading from November 2018, GR&R will take place this year from April to August. The extent of the works will include, but not limited to the following:

- Building Works
- Structural and Civil Engineering Works
- Electrical Works
- Plumbing & Sanitary Works
- Cleaning and Washing to External Curtain Walling Cladding

Most of the work will be carried out during the June holidays and after school hours so that there are minimum disruptions to lessons or school activities. We will also take careful measures to ensure that the safety of our pupils is not compromised during the GR&R.

SGSecure: Storybook for all P3 Pupils

In line with the SGSecure movement, Ministry of Home Affairs (MHA) has produced a storybook for all Primary 3 pupils entitled 'When Tim Knows the Drill'. The book aims to raise pupils' awareness of the importance of vigilance, cohesion and resilience in standing up to a terror threat. Through the story, pupils will learn how they can stay safe, and protect themselves if they encounter an emergency situation. The storybook also includes scenarios for parents to have a conversation with their children on the importance of vigilance, cohesion and resilience. We appreciate your support towards SGSecure.

Your child will be receiving the storybook together with this notification. If you have any queries, please contact Miss Danielle Neo, Social Studies Coordinator.

The following is an update of key school events and activities in the month of **April 2017**:

School Health Service – Wednesday 3 April to Tuesday 11 April

A team of nurses and doctors from the School Health Service (SHS) will be in our school from 3 to 11 April to conduct the annual medical check-up and immunization for the pupils. If you have any queries, please contact Mr Frank Tan, Admin Manager.
