

ADMIN NOTIFICATION TO PARENTS 6/2017
22 MAY 2017

Our Ref: NVPS 120/17

Dear Parents,

We have come to the end of Semester 1 and school vacation will begin on Saturday, 27 May. Do take this opportunity to spend some quality time with your children. As Monday, 26 June is a public holiday (Hari Raya Puasa), classes will resume on **Tuesday, 27 June 2017**.

Health and Safety Related Matters

As part of our response measures in managing health-related emergencies, it is essential that the addresses, contact numbers and commuter status of all our pupils are up-to-date for the school to swiftly contact them in times of emergency. To ensure that we have the correct information, please inform us of any changes or updates to your contact details through your child's form teacher or our General Office.

For the June holidays (27 May – 25 Jun), parents of **all P1 pupils** need to declare the travel plans of their P1 children, regardless of travel intent by completing the online form "Travel Plan" found on the MC Online website (<https://www.mconline.sg>) under the "School Admin" tab. Alternatively parents may use the Mobile App "MCO LMS" to complete the declaration. A step-by-step guide on how to declare your travel plans can be found in our school website homepage (under Highlights --> Travel Declaration Guide). As, for P2 to P6 pupils, parents need to declare the travel plans of their children **only** if their children intend to travel. Parents who wish to declare their children's travel plan in hard copy can obtain the Travel Declaration Form from the General Office.

To maintain school's preparedness to resume temperature-taking regime should there be a need to, a temperature taking exercise will be conducted on Friday 30 June 2017 by the school. This exercise serves to educate pupils on the need to take personal responsibility for their own health and social responsibility for the health of others. We will be conducting a pre-exercise check on Oral Digital Thermometers (ODTs) on Thursday 29 June 2017. Please ensure that your child's ODT is of serviceable condition and that he/she brings it for the exercise on the two days mentioned.

The following is an update of key school events and activities in the month of **June 2017**:
